

Illinois Department of Transportation

Danville Main Street (US 136) from Pine Street to Collett Street

March 24, 2006

For the Week of March 26 to April 1, 2006

Storm Sewer work will continue from Stoney Creek westward in the center turn lane. on the south side of Main Street until March 21st. The storm sewer construction is expected to reach the railroad crossing on or about April 10th.

At times, the center turn lane will be closed at intersections. This will result in a side street closure, for left turning vehicles.

Buchanan Street should be open again on Tuesday, March 28. Corrine will be closed to left turning vehicles near the end of the week.

Please use caution when driving in the work zone.

Please obey the 20 mph speed limit in the construction zone.

For your safety, please stay out of work areas.

Please be aware that Danville Mass Transit might alter bus routes. Please contact them for more information.
